Dear Students,

We are pleased to announce the call for applications for the undergraduate and graduate Chinese Government Scholarships. The Education Section of the Chinese consulate in San Francisco has requested us to collect applications for qualified graduate and undergraduate students from the University of Oregon who are interested in pursuing academic study in China during the upcoming academic year (2015-16). These scholarships cover full tuition, living expenses, and more.

To apply for the Chinese Government Scholarship, applicants must complete an online application AND submit two (2) paper copies of their application by March 13, 2015 (by 4:00 pm) to Vinnie Burns at the Office of International Affairs, Oregon Hall Room 333. The listed deadline (on the link below) is April 1, but our deadline is set earlier to give us time to review and mail your documents. If for some reason you are unable to complete your application by March 13, please let me know immediately.

The online application can be accessed here: http://www.edusf.org/publish/portal108/tab5050/info104855.htm

Please read the attached instructions carefully before starting the application. Applicants should register for a username and password before logging in. Please also use AGENCY NO. 8405 when prompted. Once you have finished, please submit the application online, then download the finished application and print out the aforementioned two copies, which will then need to be handed in to the Office of International Affairs.

You will also need to submit (as listed in the attached instructions, page #2):

- Two passport-quality photos to attach to the applications
- Two letters of recommendation (preferably from people who have taught you) in English or Chinese
- A notarized copy of your official transcript showing your most recent studies
• A notarized copy of your diploma showing your most advanced studies
• A Study Plan or Research Proposal in Chinese or English (the length is up to you, but previous students have written around two pages)
• A copy of your Foreigner Physical Examination Form completed in English. The original copy should be kept by you. *This form is only needed if you plan to stay in China for more than 6 months.*
• An admission letter from your designated university in China (only if you already are in possession of this).

If you have any questions about the application process or your eligibility for the scholarship, please send them to me (Vinnie Burns), vburns@uoregon.edu.

I look forward to hearing from you and receiving your application.

Best regards,

Vinnie Burns
